

Who can apply?

Individuals residing in Galway, Mayo or Roscommon who are in recovery from drug/alcohol use and who wish to pursue activities to support their recovery.

What can I apply for?

Applications are open for a range of activities that will help support an individual's recovery including but not limited to: alternative therapies, group membership/classes, gym membership etc.

How much is an applicant likely to received?

Funding is available for applications up to €500 and are paid directly to service providers. As a contribution towards the cost of fee applicants must contribute 20% of the overall fee.

How to apply?

Application forms must be completed and these are available on www.wrdatf.ie

Completed application forms along with supporting documentation should be emailed to: bursary@wrdatf.ie

Who decides on the application?

The WRDATF Bursary Committee will review all applications and award funding. In some instances, a short interview may be required or further information sought.

Further details:

- Applicants must be resident in Galway, Mayo or Roscommon
- Applicants will only be accepted from those who are in recovery from drugs/alcohol and who wish to support their recovery.
- Application form must demonstrate how the bursary will support recovery for the applicant.
- Official application form must be used to apply for funding
- Application for fees that have already been paid will not be considered.
- Only one application per applicant per annum will be accepted.
- Maximum number of successful applications: 3 in total
- Applications may be means tested.
- Letter/note from a Support Worker on how bursary will benefit the applicant is now required and has been added to the application form.
- Applications will be reviewed by the committee 3 times in 2023.
- Please submit applications on or before [March 10th](#), [June 9th](#) and [October 2nd](#).

Bursary Payments:

Once an application has been approved and the refer informed, the applicant then pays the 20% payment directly to the service provider. When this is complete the refer will inform the WRDATF. The WRDATF will require an invoice for the remaining 80% and a P.O. number will be given and must be added to the invoice for accounting purposes.
